| Total: | \$ |

Note to students enrolling in modules instalments:

- You must enroll in module 1 first. However you can purchase other modules along with module 1.
- You may enrol in one or more modules at a time. Students must complete the counselling modules in order, however they can be broken up with modules 2, 3 and 4. It is recommended that module 2 be undertaken before or alongside modules 3 and/or 4. Modules 5 & 6 can only be undertaken following enrolment of the first 6 modules.
- Modules 1, 2 and 4 require the use of crystal implements (see optional extras above) from the Module 3 crystal kit. If you are enrolling in Modules 1, 2 or 4 prior to module 3, then you may wish to purchase these optional extras with this application. The cost of the optional extras purchased will then be deducted from your Module 3 (with crystal kit) fees.

Note: Only the satin spar crystal is required for module 1. An alternative suggestion is provided in module 1 for students that do not wish to purchase this optional extra.

- If you have previously purchased the optional extras, please deduct the amount from the total when enrolling in Module 3 (with crystal kit).
